Children are admitted during the academic year (1 September to 31 August) in which they attain their fourth birthday. Mid-term admissions can only take place in exceptional circumstances. Please refer to Nursery Admissions Policy.

Parents who are eligible are invited to express an interest in a 30hr free funding place and in purchasing top-up additional hours when they apply for free nursery provision.

Charges

- The charge for top-up session (Friday 12.30am – 3pm) is £12.50. Charges will be reviewed annually.
- We operate a phased start during the first week of new intakes to ensure we provide the best possible experience for your child so that he/she settles quickly. We will agree with you in advance a date when the additional hours will take effect from.
- The phasing period will not apply to children starting mid-year unless parents specifically request this.
- We reserve the right to apply additional charges if children are not collected on time.

Additional charges

Occasionally we may ask you for a voluntary contribution towards an educational visit or other school based activity. We will send you a separate letter on each occasion, outlining details of the activity and proposed costs.
