

Curriculum	Autumn 1 Learning
English	<p>Y3- Autumn is Here</p> <p>In this writing unit, children will explore language and features of poetry and write their own seasonal poem. Grammar will be woven throughout these lessons and our weekly grammar lesson will be linked to the learning in our writing lessons.</p> <p>During reading lessons, we will read and explore our reading skills of Explain, Retrieve, Interpret and Choice through the poem Fireplace by Ted Koosner.</p>
Mathematics	<p>Maths</p> <p>Place value: children will learn how to represent, partition, estimate, compare and order numbers to 1000.</p> <p>Addition and Subtraction: children will use their place value knowledge to begin our addition and subtraction unit. Children will be learning to add and subtract 1s, 10, 100s.</p>
Science	<p>Animals: movement and nutrition</p> <p>In this unit children will be taught that animals and humans need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.</p> <p>Identify that humans and some other animals have skeletons and muscles for support, protection and movement.</p>
History	<p>Would you prefer to have lived in Stone, Bronze or Iron Age?</p> <p>Children will learn about prehistoric man, the impact of the Bronze Age on prehistoric man, how trade changed lives in Iron Age in Britain and changes being Stone Age and Iron Age.</p>
PE	<p>Ball skills –outdoor</p> <p>In this unit, children will have the opportunity to develop ball skills. They will develop tracking a ball when dribbling with hands, feet, throwing and catching and kicking.</p> <p>Fundamental skills indoor</p> <p>In this unit, children will develop the fundamental skills of balancing, running, jumping, hopping and skipping. Children will develop their ability to change direction with balance and control. They will be given the opportunity to explore how the body moves at different speeds as well as how to speed up and slow down.</p>
Computing	<p>Email</p> <p><i>This unit allows children to explore electronic communication using 2Email. Children learn how to respond to, compose and add attachments to emails as well as consider the safety aspects of email communication.</i></p>
Music	<p>Chilled Out Clap Rap</p> <p>This unit is built around a laid-back rap with accompanying clapping patterns and plenty of dynamic contrast. It offers opportunities for physical and creative activities that will help children develop their understanding of beat and rhythm.</p>
PSHE	<p>Families and Relationships</p> <p><i>In this unit the children will learn about healthy families, friendship conflict, conflict versus bullying, effective communication, learning who to trust, respecting differences and stereotyping.</i></p>
Languages	<p>Moi</p> <p>Children will learn how to describe themselves and form sentences.</p>

Art	<p data-bbox="820 203 1034 232">Gestural Drawing</p> <p data-bbox="391 239 1465 302">In this unit, children will discover how to make drawings that capture a sense of drama or performance using charcoal.</p>
