

Curriculum	Y5/6 Autumn Term 1 Learning
English	<p style="text-align: center;"><b>Macbeth</b></p> <p>Reading, writing and grammar skills will be taught through these novel studies. At the end of the unit, the children will write a narrative and a poem.</p> <p style="text-align: center;"><b>The Journey</b></p> <p>Reading, writing and grammar skills will be taught through these novel studies. At the end of the unit, the children will write a narrative recount.</p>
Mathematics	<p><b>Number and place value</b> - Represent, read, write, order and compare numbers up to ten million. Round numbers, make estimates and use this to solve problems in context. Solve multi-step problems involving addition and subtraction</p> <p><b>Calculations</b> - Solve addition and subtraction multi-step problems in contexts, deciding which operations and methods to use and why. Solve problems involving addition, subtraction, multiplication and division. Use estimation to check answers to calculations and determine, in the context of a problem, an appropriate degree of accuracy</p> <p><b>Fractions</b> - Use common factors to simplify fractions; use common multiples to express fractions in the same denomination</p>
Science	<p style="text-align: center;"><b>Classifying Big and Small</b></p> <p>To know that 'organism' is a term used to refer to an individual living thing, that micro-organisms are incredibly small and cannot usually be seen by the naked eye. To know the characteristics of the different groups of vertebrates and commonly found invertebrates. Group in a broader range of contexts, organise the layout of number and branching keys and formulate appropriate questions for classification keys.</p>
PE	<p style="text-align: center;"><b>Netball</b></p> <p>Use principles of attack and defence and can participate fully in game situations. Consistently perform basic skills accurately and can use space effectively .</p> <p style="text-align: center;"><b>OAA</b></p> <p>(outdoor and adventurous activities): The children will be working as part of a team to solve a problem and using map-reading skills to locate points on a map quickly.</p>
Computing	<p style="text-align: center;"><b>Networks</b></p> <p>This unit allows children to learn more about what networks are, what they do and how they connect devices. Children also consider the safety aspects of networks, including the possible positive and negatives uses of networks.</p>

<b>RE</b>	<p><b><i>Christianity – Is anything ever eternal?</i></b></p> <p>Explain what Christians might learn about life after death from a Bible story Ask important questions about eternity and reflect my own beliefs about whether anything is eternal. Make links between different Christian beliefs and their views on whether anything is ever eternal.</p>
<b>Music</b>	<p><b>Percussion Calypso Solèy Levé</b></p> <p>Know the features of a calypso, know what an arpeggio is, know the difference between tuned and untuned percussion and know the difference between the melody and accompaniment.</p>
<b>PSHE</b>	<p><b>Families and Relationships</b></p> <p>Learn to resolve conflict through compromise and negotiation, to learn about respect and how everyone deserves to be respected.</p>
<b>French</b>	<p><b>Notre Ecole</b></p> <p>In this unit, we will learn how to tell the time in French. We will also be able to say the names of places in a school.</p>
<b>Geography</b>	<p><b>North and South America</b></p> <p>Know how to use maps to locate a number of North and South American countries. Know key differences between living in the UK and in a country in North America. Know the physical differences between the Caribbean Islands and the UK. Know how to interpret graphs to draw conclusions. Annotate maps to show human and physical features.</p>
<b>Art</b>	<p><b>2D drawing to 3D making</b></p> <p>A 2D drawing can be used to transform surfaces which can then be manipulated into a 3 dimensional object. Explore how mark making, line, tonal value, colour, shape and composition can be used to inform a final piece. To create a sculpture which includes two methods to help build drawing skills: looking at negative space and grid drawing.</p>
