Welcome back!

It was great to see all of the children returning after the summer break. They have settled brilliantly into their new classes and the new school routine.

We have welcomed two new teachers to our Academy, Miss Boutell is teaching in year 1/2 and Miss Chafer is teaching in year 5/6. I am sure you will join me in wishing them well in their first year at our school.

It has been a different start as we are still in the midst of building work. Phase 1 is almost complete, phase 2 has been started, phase 3 and 4 are due to start in October and November. It is hoped that all the work will be completed by 16<sup>th</sup> November. When it is all finished we will have an open event for parents to come and have a look around our new school!

As the work is being carried out in different phases it may mean that your child may have to move classrooms for a period of time. Mrs Fawcett's class are currently based in the hall and Mrs Wilson's class are in the breakfast club room. We are so pleased at how the children are handling the disruptions, it shows what amazing pupils we have here.

Each class teacher has now updated the class pages on the website. This will give you details like; which staff will be working with your child, when PE sessions take place and what your child will be learning this term.

The 'Latest News' section under the parents tab has been updated, you can now see all of the wonderful things that happened last year, it's definitely worth a read.

In assembly this week I shared our school development plan for this year with the children. We are concentrating on improving teaching and learning in maths and reading, ensuring all children have the same opportunities to succeed and developing our mental and physical wellbeing.

I also spoke to the children about how they can help our school to be the best it can be. We discussed making sure they are always smart in their school uniforms, making sure their work is gold standard, keeping the school tidy, ensuring they behave brilliantly all of the time and think about joining the pupil voice group that Mrs Fawcett will be running to have their say on how to improve our school further.

---

As always we are keen to work with you. If you have any concerns please see your child's class teacher, they will be available on the playground each morning or call the office to make an appointment. You can also see Jane and me on the gate most mornings.

I am looking forward to seeing what this year brings and am sure it is going to be a good one!

Kind regards

Rhonda Blakemore
