

Summer Fun Activities

Keep your family entertained during the holidays with these suggested activities

Week 2: The Seaside

This week our family project will be based on the seaside.

Here are some ideas for activities:

The seaside

- Design a postcard with a seaside image. You could even write a postcard and send it to a friend or family member you haven't seen in a while.
- Research and advertise a British seaside. You could do this on a computer or handwritten. Make it attractive and appealing.
- Paint a rainbow beach hut scene. Make it as colourful as you can.
- Write and decorate a seaside acrostic poem. Write SEASIDE down the side of the page and start a line of your poem for each letter. Make each line of your poem something to do with what you see, hear, feel or smell at the seaside.
- Play a family game of seaside 'I spy...' Think about what you can see at the seaside and use these ideas for your game of I Spy
- Paint a pebble with a seaside image. Cover with PVA glue to protect your painting and leave it somewhere for a someone else to find.
- Make a seaside in a bottle. See the attachment for instructions.
