## Anti-Bullying Policy

### 1. Principles and Values

1.1 At Crowle Primary Academy we firmly believe that every child in our care has the right to feel safe, secure and happy in school or in off-site activities. We recognise the seriousness of all forms of bullying and the impact it can have on those involved. The ethos of our school fosters high expectations of outstanding behaviour. We recognise the value of talking about bullying and of equipping students with strategies for dealing with bullying should they encounter it.

1.2 All members of the Governing Body, staff, students and parents should have a joint understanding of what bullying is and what the school's procedures are for responding to bullying. Information will be shared on the school website, through regular events and/or workshops for parents/carers.

1.3 As a school we take bullying seriously. Students, staff and parents and anyone associated with the school should be assured that we do not tolerate bullying and that they will be supported when such behaviour is reported.

1.4 This policy has been devised in-line with the statutory regulations set out in Keeping Children Safe in Education. It links with other school policies practices and action plans including:-

- Safeguarding and Child Protection Policy
- Behaviour and Discipline Policy
- Complaints Policy
- E-safety and acceptable user guidance
- Curriculum Policies such as PSHE, Citizenship and Computing
- Mobile phone and Social Media Policy
- Staff Conduct
- Whistleblowing
- Equality and Diversity Policy

1.5 Bullying of staff by pupils, parents or colleagues, is unacceptable. Where this occurs the Governors and Headteacher will follow the appropriate policy. Anyone feeling aggrieved will be encouraged to follow the procedures outlined in the Complaints and Whistleblowing Policies.

### 2. Definition of bullying

2.1 Bullying is "Behaviour by an individual or a group, repeated over time, that intentionally hurts another individual or group either physically or emotionally." (DfE Preventing and Tackling Bullying, 2017)

2.2 Bullying can be direct or indirect:-

Physical - kicking, hitting, taking belongings, sexual violence

## Crowle Primary Academy Anti-Bullying Policy

Verbal - name calling, taunting, mocking, moderate/severe banter, making offensive comments, sexual harassment

Non-verbal – gestures, producing offensive graffiti

Psychological - deliberately excluding people from groups, threats.

2.3 This includes the same inappropriate harmful behaviours expressed via digital devices (sometimes known as cyber bullying.) Examples could be the sending of inappropriate messages by phone, text, Instant Messenger, through websites, social media sites and apps, and sending offensive or degrading imagery by mobile phones or via the internet. (For further information on youth produced imagery see the child protection policy.

2.4 Bullying behaviour is deliberately hurtful and ongoing. (It is not the same as random unprovoked aggressive acts.) It is unequal and difficult to counteract by the person being bullied as it involves a power imbalance. The imbalance of power can manifest itself in several ways:-

- physical - size of people involved, number of people involved
- psychological – knowing what upsets someone and deliberately doing it
- socially – deliberately isolating someone

It can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or online.

2.5 Low level disruption, offensive language, banter and horseplay will be challenged. Where this occurs clear expectations of behaviour will be set to prevent negative behaviours escalating.

2.6 An act, or acts, of bullying can take place at any time in or outside school premises or hours. This policy will apply at any point whilst a child is a registered pupil at our school. All staff are trained to be vigilant about all forms of bullying and/or peer abuse.

### 3. Forms of bullying

3.1 Bullying can happen to anyone. This policy covers all types of bullying including:-

- Bullying relating to **Race and Culture** - derogatory assumptions or generalisations about colour of skin, accent or the way they talk, ethnic grouping, references to terrorism, dress etc.
- Bullying relating to **Religion** – derogatory assumptions or generalisations about religion, religious taunts and intolerance.
- Bullying relating to **Disability** - derogatory assumptions or generalisations about a young person's disability.
- Bullying relating to **Sexual Issues**– unwanted physical contact or sexually abusive comments including sexual harassment and sexual violence.
- Bullying relating to **Sexual orientation**- Homophobic / LGBTQ+ - ridicule, gestures, malicious warning others about a person, put downs, insults, etc.

## Crowle Primary Academy Anti-Bullying Policy

- Bullying relating to **Perceived Differences** – the way someone looks, talks etc.
- Bullying relating to **Special Educational Needs** - learning difficulties or being gifted/talented
- Bullied because they are a **Child in care or Adopted**
- Bullied because they are a **Young Carer**
- Bullied because of **Other** reasons i.e. jealousy, friendships

3.2 We are a TELLING school. We encourage and support all members of our school community to report bullying. Students may not be aware that they are being bullied due to their age, level of special educational need or vulnerability. It is the responsibility of the school community to be vigilant and ensure that all our students feel and are safe.

### 4. Why is it important to respond to bullying?

4.1 Bullying hurts. No one deserves to suffer from bullying. Everybody has the right to be treated with respect. Students and staff who are bullying need to learn different ways of behaving. The school will take necessary steps to assist this change in behaviour including disciplinary action.

4.2 A proactive approach to identify and act upon potential signs of bullying will help in dealing with issues prior to them being formally raised. The signs and behaviours (below) could indicate other problems, but bullying should be considered a possibility and should be investigated.

Other signs may be present which are not mentioned here:-

- Frightened of walking to and from school
- Does not want to go to school
- Becomes withdrawn, anxious or lacking in confidence
- Cries themselves to sleep at night
- Has nightmares
- Feels ill in the morning
- School results begin to drop
- Has possessions which are damaged or go missing
- Frightened to say what is wrong
- Is afraid to use the internet or mobile phone
- Is nervous and jumpy when a cyber message is received

### 5. Anti-Bullying Education in the Curriculum

5.1 At Crowle Primary Academy we use a variety of methods to support students in preventing and understanding the consequences of bullying:-

- PSHE lessons
- Relationships and Sex Education lessons
- School vision and assembly themes
- Class assemblies
- Anti-bullying week
- Safer Internet Day

## Crowle Primary Academy Anti-Bullying Policy

- E-safety lessons
- Friendship fallouts and restorative practice lessons
- Buddy / peer mentors
- Worry box
- Circle times

5.2 All staff are responsible for delivering the anti-bullying materials to members of the school community as part of a planned programme of study.

### 6. Pupil Voice

6.1 Students are involved in the prevention of bullying as and when appropriate. This includes:-

- Having discussions about bullying and why it matters that children who use unacceptable behaviour towards others are dealt with quickly
- Ensuring that their peers know how to express worries and anxieties about bullying
- Developing a student version of the anti-bullying policy
- Supporting each other via the buddy/peer mentor scheme

6.2 Students are also consulted through in-school questionnaires.

### 7. Anti-bullying Procedures

#### 7.1 Parents

7.1.1 If parents suspect their child is being bullied they should contact the school. Parents should be prepared to talk about the signs and symptoms that they have observed and any suspicions they have about those carrying out the bullying.

7.1.2 Parents must leave the initial investigation to the school. Any attempt to resolve the issue themselves is likely to make the matter worse.

7.1.3 Parents should encourage their child to talk to an appropriate member of staff in the first instance, or a student such as a buddy or peer mentor.

#### 7.2 Students

7.2.1 If a student thinks they are being bullied they must tell an adult that they trust (parent, member of staff) or use the anti-bullying system (worry box or buddy / peer mentor.) They must be able to explain what form the bullying is taking and how it affects them.

7.2.2 Students who witness bullying or an incident which they feel may be bullying must tell an adult, parent, Learning Mentor or other member of staff.

7.2.3 Further information can be found in our Student Friendly Anti-bullying Policy.

### 7.3 Staff

7.3.1 If bullying is reported to a member of staff they will record the details as presented to them on CPOMS and alert members of the senior leadership team. Due to the Child Protection policy no promise of confidentiality can be given.

7.3.2 Complete the Checklist for Managing a Bullying Incident (See Appendix 1) and discuss meeting notes and agreed outcomes with Senior Leadership Team.

7.3.3 Where an incident involves sexual violence or sexual harassment refer to Child Protection procedures in line with Keeping Children Safe in Education, 2019.

7.3.4 During the investigations care must be promoted for the student who perceives themselves as being bullied as well as the alleged student showing bullying behaviour.

7.3.5 Time out / reflection time may be used if deemed appropriate during the investigation.

7.3.6 Parents should be informed and will be asked to come in to a meeting to discuss the problem as part of the investigation.

7.3.7 Consequences may be applied where bullying is identified.

## 8. Persistent bullying

8.1 If a student continues to inform that they are being bullied they will be provided with a log book /diary to record this. For younger children or those with special educational needs and/or disabilities support will be given.

8.2 Staff and Governors will decide next steps for students who persist in bullying behaviours in-line with other school policies and plans including the school's behaviour and discipline policy.

## 9. Students who have experienced bullying behaviour will be:

- Given an immediate opportunity to discuss the experience with an adult whom they feel safe with and whom they find easy to talk to.

- Given an opportunity to discuss what happened with an adult and explain why they became involved.
- Offered time to help them reflect on their behaviour and understand the harm that they have caused.
- Consulted on a program to develop their social and emotional skills and positive behavioural strategies with the academy's Inclusion Mentor.
- Given time to learn the steps they need to take to repair the harm they have caused and ensure they can make a choice to avoid bullying behaviour in the future.
- Informed that their parents/carers will be involved to help change the attitude and behaviour of the student.
- Referred to other agencies (if necessary) including the Police and Children's Services to support a change in behaviour.
- Invited to attend a mediation (restorative practice) meeting with the student who experienced the bullying to resolve issues and prevent a reoccurrence.

Changing the attitude and behaviour of students who engage in bullying behaviour will be part of the positive procedures used by the school. However the school recognises that consequences will also have to be used with students who exhibit this form of behaviour.

### **11. Complaints**

If a parent or carer is dissatisfied with the response made by the school following a reported incident of bullying, s/he may make a complaint in accordance with the School's Complaints Policy.

### **12. Equal Opportunities**
