Dear parent/ carer,

At the end of last academic year we asked for your views on the homework we were setting at Crowle Primary Academy, at the same time we also asked the children for their views.

The responses from these have been reviewed and we are currently looking at how and when we set homework. The staff will be meeting soon to set out new approaches to this. In the meantime teachers will not be setting any formal maths or English homework. We will update you as soon as agreements have been made.

Please continue to read with your child. We will be continuing to record these online but have discovered today that GoRead has changed its name to Boom Reader. During the changeover, passwords and user names seem to have been changed. We are trying to get to the bottom of this and will let you have new ones as soon as we have them. Thank you to the parents who brought this to our attention, we will be in touch with the app developers and discover why they did not let us know this had happened.

Children are also encouraged to continue to use Times Table Rock stars and spelling frame.

Kind regards,

RBlakemore
